**CELEBRATE PHILIPPINES AT NAVY PIER'S
NEIGHBORHOODS OF THE WORLD THIS SUNDAY, MARCH 20**

The sixth annual Neighborhoods of the World presented by ComEd continues at Navy Pier this Sunday, March 20, with the Philippine Celebration, a free-admission cultural showcase presented in partnership with the Consulate General of the Philippines and the Philippine American Cultural Foundation.

From 12:00 p.m. to 4:00 p.m., guests are invited to visit Navy Pier's Crystal Gardens to experience the sights and sounds of the Philippines. The celebration will include live traditional music and dance performances from various local groups, including the Chicago Anklung Rondalla Ensemble, Philippine American Cultural Foundation Performing Arts youth group and more. The program will close out with a vibrant fashion show, featuring native costumes and styles from different regions of the Philippines.

Guests will also have the opportunity to taste traditional island street food as Philippine-style spring rolls will be offered throughout the event.

Neighborhoods of the World continues every Sunday through April 17, with different countries spotlighted each week, commemorating the many cultures and communities that make Chicago so special. Each celebration offers a brilliant showcase of lively folk music, traditional dance, native costumes, authentic cuisine, creative crafts and so much more.
